

Turkeys Lost As Truck Plunges Off High Grade

Brakes Fail, Driver Leaps As 15 Tons of Birds Roll Down Bank

Ted D. Dyson, 42, Minneapolis truck driver, escaped injury Friday morning at 5:45 o'clock when his huge truck, loaded with thirty thousand pounds of dressed turkeys plunged off Donner grade between the bridge and Summit and was demolished on the rocks below.

Dyson told State Patrolman William Gautsche that his brakes failed and seeing he could not control the heavily loaded truck, he leaped from the cab and allowed the truck to run off the grade. The frozen turkeys were scattered and it took all day to salvage the major part of the cargo.

The truck was bound from Modesto to Omaha, Nebraska, when the mishap occurred.

Three other motor vehicle accidents, all on Donner Summit, this week were investigated by Patrolman Roy Stallard.

George Zahn, 42, suffered minor injuries when a car driven by Freeman W. Liddell, 42, Georgetown, skidded and overturned a mile and a half west of Kingsvale at 9 a.m. Monday. The car turned completely over and landed on its wheels.

Shortly after noon the same day, a car driven by Richard Ralph Garcia, 21, San Francisco, skidded and overturned just west of Soda Springs. The driver was cited for driving too fast for the condition of the road and following another car too closely. No one was injured.

Mrs. Betty E. Colezzi, 59, Reno, was cited by Patrolman Stallard for making a pass without sufficient clearance Tuesday afternoon following a collision between her car and one driven by Elizabeth Schaub, 53, Heyburn, Idaho, on Donner Grade. No one was injured in the head-on sideswipe, the officer said.

CHRISTMAS TREES FROM LAKE AREA TO PACIFIC BASES

Navy forces stationed at Guam, Samoa, Kwajalein and other bases in the South Pacific will have a green Christmas this year. Silver tipped red fir trees cut months in advance in the high Sierra and coated for preservation with a liquid plastic manufactured by B. F. Goodrich Chemical Company are now en route to naval installations west of the Hawaiian Islands. Trees coated with a preservative material are required by the Navy for this vast area because it was necessary to ship the trees from Oakland between October 25 and November 15.

The trees were cut, treated and delivered to the Navy by the Thomas B. Fitch Company of Palo Alto, who conduct their operation in the Lake Tahoe region. The trees were sprayed within 48 hours after cutting and then moved to the Naval Supply Center for transshipment. This year the Fitch firm is supplying approximately 4,000 sprayed trees to the Navy. The liquid vinyl plastic forms a transparent coating over the trees, sealing in the moisture present in boughs and needles.

School Teachers Attend Art Teaching Session

Meeting at the Truckee grade school, the teachers and administrators of the Tahoe-Truckee Joint Unified School District received special instruction in preparation and use of stencils and in finger-painting. Instructing the group on Tuesday, December 6, after school, Tom Falltrick, art supervisor for the Placer County schools, issued the paper, paints and materials and after a demonstration, supervised the group's practical work.

42nd Wedding Date Marked at Dinner

Mr. and Mrs. T. T. Buell entertained at a dinner party on Sunday evening, December 4. The guests were Mr. and Mrs. William Englehart Sr., who were celebrating their 42nd wedding anniversary on that date; Mr. and Mrs. W. C. Gage, Mr. and Mrs. A. P. Leitch and Mrs. Harriett Leitch, the latter of Sacramento.

Observe Anniversaries

Mr. and Mrs. William Curran are observing their wedding anniversary today and Mr. and Mrs. Douglas Barrett observed their wedding anniversary on Tuesday, December 6.

Sanitary Board Will Set Rates In Meet Monday

McGee Again Collector As Rausch Resigns Position

Directors of the Truckee Sanitary District will hold a meeting at the district's office Monday at noon for the principal purpose of arranging to take over the garbage collection work in the district. H. H. Hodson, board president, announced.

During the meeting a discussion will be held relative to rates to be charged, methods of collection and schedule of service, Hodson added. Anyone wishing to attend to offer suggestions on how the service can be improved is cordially invited.

The district will take over the work on January 1 as previously announced. For more than a year the collection has been handled under the direction of the Truckee Public Utility District through a contract permitting the sanitary district to resume the garbage collection after six months notice.

When it became apparent that current taxes would be insufficient to finance the necessary district work, the board voted to ask the return of the garbage detail as a source of revenue and the utility board agreed upon January 1 as a conclusive date.

At the meeting Monday a tentative rate schedule will be worked out, Hodson said, with an aim for keeping it as near the present level as possible but with provisions for adjustments if advisable.

Hodson also said that Garin McGee had been employed to replace Paul Rausch as driver, Rausch having resigned to enter business for himself. McGee once before handled the work very satisfactorily and the board feels fortunate in having him back on the job.

An advertising representative will meet with the board, Hodson said, to outline a plan for replacing the refuse cans along the main street with new ones. Hodson said the idea was that the representative would furnish the cans in exchange for advertising space on them.

Franzini's Were Wed 36 Years Ago on 3rd

Mr. and Mrs. Maurice Franzini celebrated their 36th wedding anniversary on Saturday, December 3, spending the day in Reno.

The Franzinis were hosts on Thanksgiving Day to Messrs. and Mesdames William Englehart Sr., William Englehart Jr. and children, Mrs. Belle Williamson and John Brown.

State Funds Sought For Brockway Road

SACRAMENTO —(W. N. S.)—The state allocations board, which will meet here Monday, will act on a request for \$8,500 for Nevada County road improvement.

The specific project is the surfacing of the Truckee-Brockway County Road for a distance of 1.9 miles.

According to information to be given the board, the project will cost \$17,000 and \$8,500 is available in the general road fund of the county.

Workers Are Invited To Help At Church

The Women's Society of Christian Service will meet in the Community Church building for a working session on Wednesday, December 14, instead of in the home of Mrs. Robert Gifford as previously announced.

All who wish to volunteer to help prepare the edifice for the program being arranged for Friday, December 23, are asked to attend in working clothes from 12 o'clock through the afternoon. Mrs. Robert Leamon will preside at a brief business meeting at 2:30 but the greater part of the time will be devoted to cleaning and decorating for the coming holidays.

Christmas Party At Theater Will Be Feature Here

Following their annual custom, Mr. and Mrs. V. C. Shattuck of the Donner Theater will again be hosts to the boys and girls of this area at a Christmas party on Saturday, December 17. The program starts at 2 p.m. and all pre-school and grammar school children are invited to attend as guests of the Shattucks.

The afternoon will include a visit from Santa Claus, gifts for all the children, a Roy Rogers feature picture and several animated cartoons.

This program should not be confused with the grammar school Christmas program to be held at the theater on the afternoon of December 15, at 2 p.m.

TWO BASKETBALL CONTESTS SLATED DURING WEEKEND

The Truckee basketball club, sponsored by the local American Legion, has two games scheduled on the local court this week as its 1949-50 season gains momentum.

Tonight at 8:00 p.m. they will tangle with an aggregation from Kings Beach and Saturday night at 8 they play a team from the Reno Naval Reserve, according to Coach John Rau.

The boys dropped their first game of the season here last Saturday night when they bowed to the Reno Co-Ops 45 to 37. A lack of reserves on the local team allowed the visitors to stretch their 18-17 half-time margin by seven more points. Bob Manson of Reno sank 18 points to be high scorer of the evening with Al Wakefield of Truckee scoring 14.

Law Enforcement, Jails Topics of Sheriff's Talk

Law enforcement and streamlining and modernizing of county jails was the subject of the interesting talk made Monday by Sheriff R. W. Hoskins at the Rotary Club meeting at Donner Lake Lodge. John Ciardella presided at the meeting.

Two new members, Fred Morris of the Truckee Sanitary District and William Hopkins of Donner Lake, were inducted. Visitors included Constable N. F. Dolley and Ken McCray of the AAA. Mike Korich of Tahoe City and Pete Land of Loyalton were visiting Rotarians.

Local Boy Fractures Leg Playing at School

Stanley Rasmussen, 11 year old son of Mrs. John J. McGlade, is in a Reno hospital with a broken right leg suffered yesterday on the playground of the Truckee elementary school when he fell over another boy while playing. He was treated by Dr. L. D. Nelson, who advised hospitalization.

Jay Rablin Dons Blue Of Uncle Sam's Navy

Jay Rablin, popular young son of Mr. and Mrs. John Rablin of Truckee and recently employed at Doyle's Meat Market, has successfully passed his entrance examination for the United States Navy and is en route to boot camp at San Diego to start training.

Jay telephoned his folks Tuesday night from San Francisco advising them he had passed the required exams and was on his way. Local friends will join in hoping he enjoys the work upon which he has embarked.

Outside Odd Fellows Planning Visit Here

A delegation of Odd Fellows from Portola and another from Loyalton will come to Truckee on Tuesday, December 13, for a visitation with the local Odd Fellows. All local members are being asked to turn out to make the meeting one which the visitors will remember with pleasure. Victor Salvaterra is noble grand of the Truckee Lodge.

Lions Hear Dog Derby Plans As Work Is Started

Cooperation Being Asked From All Merchants By Committee

In a short talk before the Lions Club last night, N. F. Dolley, chairman of the Sierra Nevada Dog Derby committee, outlined tentative plans for staging the three-day races here February 10, 11 and 12 and called upon the businessmen present to lend all possible support in making the affair a success.

Dolley said the committee will start immediately selling advertising in the derby program, the proceeds from which are expected to finance the show this year and make possible the elimination of admission charges. The speaker said a proposed budget of \$6,000 has been set up. He added that the committee hopes to find sponsors for the 12 to 15 teams to be entered and outlined in brief the suggested program of races and added attractions.

Raymond Ewan of Auburn, executive of the Tahoe Area Council of Boy Scouts of America, provided the program last night in a talk on the work of scouting in the area and showed pictures of summer camp activities at Camp Pahatsi near Soda Springs. Ewan was accompanied on the program by Willard Hamilton, an Eagle Scout from the Auburn Troop.

B. W. Reynolds presided and Robert Gifford was the program chairman.

STICE IS NAMED AS CHAIRMAN OF SCOUT CAMPAIGN

Commander Hes Cardinal of Truckee Post 439, American Legion, appointed Earl Stice to head a drive to raise \$300 for the Boy Scouts fund drive in Truckee at Tuesday night's meeting of the Legion post.

The appointment was made following a program devoted to the Boy Scout program in the Tahoe Area Council and its relation to the Truckee Scout troop, sponsored by the post. Scout Executive Ray Ewan of Auburn, Scoutmaster Bill Bottel and Assistant Scoutmaster Gene Riden of Truckee spoke with the aid of illustrated charts and later showed movies of activity at Camp Pahatsi on Donner Summit.

Pink and Blue Shower For Truckee Woman

Mrs. Edward Frates was the complimented guest at a stork shower given by Mrs. Harry Eaton and Mrs. Henry Loehr on the home of the latter Wednesday evening.

Games, adapted to the chosen party idea, and music by Mrs. William Englehart Jr. and Mrs. Loehr preceded the opening of gifts and a bountiful buffet supper. The pink and blue favors were arranged as infants wearing apparel and a three-tiered cake, decorated with roses and sugar streamers was the center of attraction on the refreshment table.

Other guests attending were Mesdames Jack Ellis, Loren Vertner, Heslin Cardinal, Anthony Pace, Harold Hodson, Columbia Tong, Ernest Dugan, Irving Frates, E. Thompson, V. L. Deaton, O. Alexander and Harry Barnes.

Truckee Cook Cleared On Charges of Theft

Theft charges against Edward D. Glaze, 38, Truckee cook and baker who was arrested here several weeks ago by Constable N. F. Dolley on a telegraphic warrant from the bay area, were dismissed because of lack of evidence in the Contra Costa courts, Glaze reported upon his return to Truckee this week. The charge, he said, was entirely unwarranted.

Mrs. R. N. Little was a visitor in San Francisco the first of the week.

Sun Beams

A persistent pest is the chiseler who frequents small communities, taking advantage of the accessibility and good nature of the local business people. They invariably wish to speak to the "boss" and once they have his ear, open up with a barrage of reasons for the proprietor to shell out some hard earned cash. These out-of-town solicitors are well trained. They have such a convincing argument, in fact, that one feels like a piker to refuse them and we can't blame the merchants too much. On the other hand, the adoption of a strict policy of asking the out-of-town solicitor to obtain a written O.K. for his efforts from the Chamber of Commerce will avoid embarrassment and will save local merchants thousands of dollars a year. This chamber-approved solicitation idea has been relieving business people of needless time and expenditure waste in larger centers and that is one of the main reasons the chiseler is working more persistently in the small communities, taking advantage of every opportunity to cut himself in on the profits of small businesses. Situated as it is on a popular transcontinental highway, Truckee is an excellent target for the itinerant peddlers who have nothing to lose by stopping over to pan out what they can in a brief stop over. We sincerely urge that every merchant refer these people to the local chamber of commerce.

There are only 14 more shopping days until Christmas. Most shoppers still have a list of items to purchase before the annual pleasure of preparing gifts is complete. May we suggest that you take your list to the local stores where every effort will be made to assist you in arriving at a suitable selection. Local stocks are complete, every item is of assured quality and prices are fair.

POLIO BENEFIT DANCE AT LAKE NEXT SATURDAY

TAHOE CITY—The admission to the Tahoe City Benefit Dance at the community center on Saturday, December 10, will be collected at the door. Folk dancing as well as social dancing will be featured, with music for both furnished by the four-piece orchestra. Music will begin at 9:00 p.m.

Sponsored by the Lake Tahoe Ski Club, as part of the polio fund raising campaign, the dance is under the general chairmanship of Mrs. Floyd Carnell. Assisting Mrs. Carnell are the sub-committee members, for dance and posters, Mrs. E. V. O'Rourke, Mrs. R. R. Gilbert and Miss Carolyn Bolton; refreshments, Mrs. J. Stuart, Mrs. Katherine Corona and Mrs. Alma Sexton.

All children under 12 must be accompanied by a parent or a responsible guardian.

Lewis Flies to Bedside Of His Ailing Mother

Jerry Lewis of the Donner Trail Lumber Company left by plane yesterday for Mohawk, New York, upon receiving word that his mother was seriously ill. The local man had planned to visit the east this winter but the call from her sister hurried his departure. He plans to return in about three weeks.

Visit Bay District—Mr. and Mrs. Harold Langille were bay district business visitors during the weekend.

Three Years Old—Kary Kiehofer, son of Mr. and Mrs. Karl Kiehofer, celebrated his third birthday on Monday, December 5.

Flys to City—Mrs. Roxie Archie returned from San Francisco last weekend after a business trip of several days. The round trip was made by airplane.

Ample Water Is In Truckee Basin For Winter Need

November Storm Raises Lake Tahoe Level By 2½ Feet

As a result of heavy November storms in the Sierra, water experts agree that there is now sufficient water available to meet the basic needs in the Truckee River basin and western Nevada during the winter months but with continued dry weather they warned residents of the area to continue to practice water conservation.

The November storm, described as the heaviest fall storm in a decade, blanketed the Sierra with three feet of wet snow and was responsible for raising the level of Lake Tahoe 2½ inches. This represented a gain of 25,000 acre feet in the lake and was more than enough to offset the evaporation and downstream consumption.

A survey this week showed that the level of Tahoe stood nine inches above its normal rim of 6223 feet above sea level. Its water storage was listed at 86,000 acre feet, an increase of about 5,000 acre feet over the preceding month.

At present less than 47 second feet of water is flowing into the Truckee River through the wide open gates at Tahoe City. The average flow over a 24 hour period is 190 second feet. The normal flow of 50 second feet is being augmented by water from Boca, Donner and Lake Tahoe to enable the power company to operate its upstream generators at two-thirds of capacity.

NEW OFFICERS ARE SEATED BY O. E. S. CHAPTER

Truckee Chapter No. 116, Order of Eastern Star, installed Victoria McIver as worthy matron and Jams McIver as worthy patron at their meeting on Tuesday in the Masonic Hall. Mrs. Bernice Martin of Loyalton, past deputy grand matron of the 8th district, was the installing officer and Mrs. Anona Loynd was installing marshal.

The officers installed for the coming year in addition to Mr. and Mrs. McIver were Mildred Burch, associate matron; Clare Walters, associate patron; Hannah Stewart, secretary; Elizabeth McKay, treasurer; Ida Crandall, conductress; Marie Street, associate conductress; Barbara Phipps, chaplain; Miriam Zwarg, marshal; Ametta Firpo, organist; Grace Bowman, Ada; Helen Walters, Ruth; Beatrice Perkins, Esther; Dorothy King, Martha; Flora Miles, Electa; Helen Ellis, warder; Stanley Zwarg, sentinel.

Charles B. White, past patron, presented gifts to the retiring matron and patron, Miriam and Stanley Zwarg. Mrs. Margaret Johnson was soloist for the evening and sang during the installation. There were many visitors present from surrounding chapters.

Following the meeting the members had lunch at Sarge's. The next meeting of the chapter will be held on December 20 when the chapter will have their annual Christmas party.

Donald Brown's Birth Anniversary Observed

Donald Brown, who was seven years old on Sunday, December 4, was the incentive for a party given by his mother Mrs. M. E. Brown. Games preceded the serving of refreshments with a chocolate cake festively decorated in blue and green as the center of table attention.

The children sharing the afternoon with the honoree were Jim and Linda Loynd, Merrill Englehart, Joy and Billy Moreland, Paul Rylander, Frank Patton, Frank Borden, Cynthia Reynolds, Todd McGee, Nona Rae Coffey, Billy and Rogers Mayo, Chad Peterson, Edna Gifford, Mesdames A. Peterson, Robert Gifford and Della Kiley visited with Mrs. Brown.

Local Burglar Is Sent To Prison; Others Sentenced

Looters of Cabona's Get Varied Punishments From Judge

Allen Kendall, 24, Watsonville, one of the four young men involved in the burglary of Cabona's Store here last August and who pleaded guilty to the charge two weeks ago, has been sentenced to San Quentin prison.

Two other young men who admitted participation in the burglary which netted them a large quantity of clothing, two guns and other items, were given lighter sentences.

King Montgomery, 18, former Truckee resident and more recently of Watsonville, was sentenced to the California Youth Authority by Judge James Snell. Robert Rudell, 19, formerly of Bakersfield, was given two years probation and referred to the probation officer of Santa Cruz County.

Gerrald Gospodnetich, 20, Watsonville, was earlier sentenced to serve 90 days in the county jail and placed on probation for two years after he admitted receiving property stolen from the local store.

All of the merchandise was recovered by Watsonville police when the men were nabbed there a few days after the burglary.

LEAMON TO HEAD LOCAL 20-30 CLUB, BROTHER SCRIBE

Robert Leamon was elected to the presidency of the 20-30 Club which met at Cozzi's Cafe Wednesday evening. Leamon, with the following officers, will take their chairs after the first of January. Hes Cardinal, vice president, and Dave Rose, sergeant at arms.

James Leamon was appointed by the retiring president, Omar Alexander, to take over the duties as secretary to replace Robert Simon who recently resigned the position because of conflicting work. The board of directors is Earl Smith, John Smith and Kenneth Hedlund.

It was decided to hold a dance, sponsored by the club, during the Dog Derby in February, at the request of the committee.

A group of local members of the club will go to Yerington, Nevada, soon to attend a district meet of the organization.

Chamber Meeting Set This Evening at 7:30

A regular meeting of the directors of the Truckee Chamber of Commerce will be held at their chamber offices tonight from 7:30 to 9 p.m. and everyone interested in the future development of the area is invited to attend. Earl K. Stice will preside.

Zone Lake Tahoe Area, O.K. Stoppage of Road

PLACERVILLE—The El Dorado County board of supervisors adopted an ordinance of restricted zoning of an area along the west shore of Lake Tahoe on Monday.

The zoning restriction met with no opposition when it was presented. The area generally borders the west shore of the lake and extends northward from Bliss State Park taking in the entire region on the lake front except the Tahoe Cedars Tract.

The district is zoned as residential and commercial on delineations shown on maps filed with the board.

Frank Globin of Al Tahoe has been granted permission to abandon a portion of San Jose Avenue at Lake Tahoe on which he has erected a dwelling. The action was approved by a 3 to 2 vote of the board. The Globin petition was opposed by a number of other property owners of the area.

U.S. 40 Representative
In East to Promote
Travel Across Sierra

F. H. Benhard, public relations manager for the Nevada US 40 Highway Association, recently returned from a trip to Washington where the association held meetings with top officials of the American travel industry with the object of promoting travel to the Sierra Nevada route and stressing the year-round dependability of Highway 40.

The comprehensive discussions of the outstanding attractions and facilities of the Western Wonderland between the Rockies and the coast of northern California, with emphasis on the Sierra Nevada and the Lake Tahoe region are bound to bear fruit next tourist season and should result in greater highway traffic during the winter season, Benhard believes. His trip marks the beginning of a campaign by the association to familiarize the travel public in the eastern part of the nation with the 365 day-a-year dependability of the Donner Pass Route.

In Washington, Benhard also discussed early improvement of US 40 between Verdi, Nev., and Applegate, Calif., with officials of the Public Roads Administration and other branches of the government and indicated existence of a very optimistic attitude on behalf of government officials toward early improvements of the trans-Sierra route.

At a meeting of the Nevada US 40 Highway Association, attended by delegates from California, Nevada, Utah and Wyoming, members discussed possible

Women's Club of Tahoe
Emphasizes Giving
As Christmas Theme

TAHOE CITY—The Christmas activities of the Women's Club of Tahoe have begun with a \$25 donation to Tahoe City's Christmas party fund.

The club is now preparing Christmas boxes for two patients at the Yountville Veterans Hospital at Napa. A letter from one of the patients listed the following articles as desirable: candy, cowboy records, socks, handkerchiefs, sport shirt and razor. Donations for the boxes should be completed by December 15 in order to reach the hospital by Christmas. Those interested in donating for the boxes may contact Mrs. Louise Geier of Tahoe City.

change of name of the organization to "Overland Route Association". Inasmuch as the organization comprises chambers of commerce between the Rockies and Sacramento Valley, promoting travel and trade over all surface transportation systems to Utah, Nevada and northern California, the present name is a misnomer and should be corrected to keep pace with the association's program of promoting travel and trade on a regional basis, Benhard declares.

Primary goal of the US Highway 40 Association is to make the road a four-lane route over Donner Pass, according to H. L. Page, association president. The project would cost between 60 and 70 million dollars, he reports.

Three-Part Discussion
at Ski Club Meeting

TAHOE CITY—The Lake Tahoe Ski Club centered its discussion last Friday on three current activities: the polo benefit dance set for Saturday, December 10; the community Christmas program; and improvements of the club-maintained ski hills. Barring inclement weather, the motor for the ski tow on Olympic jump hill will be installed in the near future. Completion of the nearly finished drainage area was assured by Kjell Rustad of Granlibakken. The Town Hill ski area was to

see work during the weekend by Alec Donaldson and other members who turned out Sunday to work on the ski tow on the hill.

Preceding the business meeting, excellent color movies on the Hawaiian Islands were projected by Basil Kehoe. Refreshments followed the meeting.

N.E. MAIN STREET

North Tahoe

by T. BURROUGHS

An important date to keep is Saturday, December 10, for the mock wedding sponsored by the North Tahoe Women's Club, taking place at Carpenter's Hall on Bear St. in Kings Beach. The bride's hope chest will be given away. Tickets are available from almost any of the women of North Tahoe. A reception will follow the wedding and there will be dancing. The time is 8 p.m.

We are glad to hear that Jerry Rayburn is home and doing nicely after a short stay in the hospital with a throat infection.

Little Jimmy Boyce is at home with a throat ailment too.

A brand new mortal and resident of Tahoe Vista is the little son of Hanna and George Jensen. They will call him Harry and he arrived at the Carson City hospital on December 2, tipping the scales at six pounds and half an

ounce. At present he and his mother are in Kings Beach with his uncle, Karl Bohme, who is also quite happy with young Harry William's arrival.

Wee Kirk of the Pines Sunday School at 10 a.m. each Sunday with worship following at 11. While Rev. Oscar Swenson is detained in Los Angeles during the illness of his wife it is necessary for Eugene Risden to remain in Truckee leaving Sunday worship hour at Kings Beach to local leadership. Mrs. Swenson is doing nicely following surgery at a Los Angeles hospital.

Mr. and Mrs. Rutledge were called away last week because of her brother's injury.

Plans for a Christmas program, a pageant, The Birth of Christ, are progressing nicely. Exact date and details will be given next week.

The WSCS fair, says Mrs. Judy, was a fair success and she wishes to thank all those assisting. Pro-

ceeds are to be used in the building fund.

Clara Van Hooser's class of young girls have formed themselves into an order called "Will-Working Workers". They had their own table at the fair and lived up to their name. Netted \$7 which is being used for the WSCS and a gift for Mrs. Swenson.

Winona Hall had a nice visit with her son, Corporal Paul S. Martin, at Treasure Island. Paul is recently back from Guam and left Treasure Island Friday for Barstow where he is stationed.

Bill and Bonnie Bates have extended their stay in Missouri but will be back this weekend.

JoAnn Van Hooser is at home with that bad throat ailment as is the little Palmer girl.

Orlan and Alice Sanders of Tahoe Vista have opened a new business in Sparks, the Lani Automotive Parts Store. They will continue to operate their Tahoe Vista Ice Co. during the summer months.

George Meisenheimer plans a visit with the kids this weekend. First with Helen and Art Buehler of San Jose then with Ruby and John Clackett of Hollister. Little Vicki will return with him to spend the Christmas holidays with her grandparents.

The Rotary of Brockway held its regular meeting at the home of Dr. John Keys last Monday. Program for the day were movies from the Telephone Company shown by Art Leitch of Truckee. Entertainment committee report-

ed that the ladies will be entertained on the night of Dec. 16 at the Buckhorn. Report on the co-operative Christmas program was also given and Tom Lucas presided. Mulford and Florence Miles attended the Tahoe City Rotary meeting Tuesday evening with Dick and Louella Boyce.

Mrs. Noble T. Murray brought that new daughter of theirs home yesterday and Mrs. Murray's mother is helping with the care of the infant.

The Girl Scouts of North Tahoe are making Christmas sprays for your door. They're lovely and many of you will want several to send to friends who are not so fortunate as those of us who are privileged to live among our stately evergreens. And of course you'll want one for your own door. The Scouts will bring them to you the latter part of next week and they will sell for 75 cents each. The proceeds will go toward purchase of their troop flag.

The County Library branch at Kings Beach will be housed in the home of The Burroughs. I will be glad to dispense books to any of you any time I am home. The house will be open to the public each Thursday afternoon and evening for the present. Do not feel compelled to restrict your library visits to these hours. Call or come in at any time. If there are books you want that at the moment aren't available we have the privilege of requesting them from the main county library.

Hardwoods and Softwoods

Native species of trees are divided into two classes: hardwoods, which have broad leaves; and softwoods or conifers, which have leaves like needles or scales. No definite degree of hardness divides the hardwoods and the softwoods; in fact, many hardwoods are actually softer than the average soft woods.

At the assembly Tuesday, the student body enjoyed the color stills projected by Gary Anderson. Taken by Mr. Anderson, the pictures travelogued a trip to the Lake's own Twin Peaks.

While the upper grades turned their artistic talents to painting, the lower grades modeled and painted clay animals and the intermediate grades modeled and painted the first of the men and machinery to be used in their mock-up display "Wood, From the Forest to the Home."

Dr. Ricker's Health Examination \$1.00

ONE DAY ONLY—DEC. 12

If you are sick and suffering from ill-health in any way there is a definite cause. This cause may or may not be near the symptoms that bother you a great deal. It is our purpose to locate the cause of your ill-health and to advise you as to what must be done so that you may once more enjoy normal health.

During this examination you need not tell the doctor what your symptoms are unless you desire to do so. Neither will it be necessary to remove clothing. The results of the examination will enable us to advise you as to the parts of your body that may be responsible for such conditions as digestive disorders, rheumatism, nervousness, headaches, high and low blood pressure, kidney trouble, lowered vitality, abnormal tiredness and many other ailments. Grasp this opportunity to have a check-up on your physical condition.

Summit Scene

by FRAN COUILLARD
For those who still build such as the work being done on the double chair lift on Beacon Hill (Soda Springs Ski Corp.), the Snowtel at Kingsvale (Harold and Gloria Steen), the new Donner Ski Ranch chalet (Bud and Madyon Walton), the new Emigrant Gap Hotel (Robinson and Caruso) each day, including Sunday, sees the projects growing toward completion. Every minute of the snow famine aids them in their frantic

race with the storm that is sure to come.
Mr. and Mrs. Lee Nisbet of Donner Lake Lodge together with Chet and Eileen Emmons plan a holiday cocktail party at which the folk dancing group from Reno will cavort. This to show off the interior decorating job being done by Eileen. From front door to back windows, exquisite taste and haunting color arrangements, moderne wall paper, these are some of the embellishments of Donner Lake Lodge. Hap Warkne's shining face behind the

cocktail plank helps a lot.
In our mail we picked up a large square envelope and found a most unique invitation to another party. A cocktail napkin on which is printed an open house announcement for the latter part of this week signed by Brant, Doris, Rita and Bill. Rainbow Tavern invites the hill to the beginning of the holiday whirl.
We get another invitation for a buffet at Rancho Sierra, Emigrant Gap, which means another holiday soiree and open house. We are glad to know that Carl

(Doc) Widing has sufficiently recovered from his recent illness and operation to officiate at such a wedding.
We ask, if it's going to snow, that it holds off until after Thursday evening when the youngsters of the Donner Trail Elementary School entertain the district with the first public appearance of the school band. We understand that the youngsters are doing marvelously and remember that not a child in the school had ever played any type of instrument and clarinets, violins, trumpets, tonettes and the rest are included in the musical curriculum. The Donner Community Club fetes the school children at this annual party. Already stockings are filled, Santa's suit is on hand, refreshments under the guiding hand of John Carl, chairman of the ways and means committee, are all lined up, Wanda Misener, Marie Strickland and Betty Horak work on the sale of Nick the Rocking Horse, proceeds to go toward the school fund. Peg Travis wins the first round by selling a book in five minutes flat. Installation of new officers for the club will take off a few minutes of the children's night. We hear the choir will be robed.

Attended a party at Roy and Thelma Stallard's last week. A marvelous buffet, dancing, lots of fun and good companions such as the Rows of Graeagle, the Jerry Lewises, the Tom Sheehans, the Fred Pedleys, the Tom Bornemanns, the Ernie Tschoppes, the

FLORISTON

by C. A. FELESINA
FLORISTON—Miss Joan Ward is once more with her arm in a cast. Last year she fell from her horse and broke her right wrist. This time it is the right arm. Seems that right arm of hers just has to get the worst of it.
Recent visitors at the Byron Miller home were his father, F. Ball Miller of Ono Ranch, Calif., and his uncle, Charles Shaker Miller of Oregon City, Ore.
Dave Yurich of San Francisco is spending some time at the home of his brother, Ray Yurich, recuperating from an illness.

Mr. and Mrs. Lester Felesina entertained at dinner November 29 in honor of Bud Miller's birthday. Those attending were Mr. and Mrs. Bud Miller, Mr. and Mrs. D. O. Heath and daughter Cheryl, the host and hostess.
Mrs. Jesse Marble has been visiting her son-in-law and daughter in Los Angeles.

Kilners Settle—
Mr. and Mrs. F. A. Kilner, who have been traveling since leaving Tahoe City, have taken up their winter residence at Laguna Beach.

At Citrus Heights—
Mrs. Hank Slade of Tahoe City has written that their December address will be at Citrus Heights, California.

Lou Wheelers, Donna Mink, Hap Warnke and others made it a party de luxe.

Ice Lakes saw quite a few parties this past week. Lonny Goss threw a small birthday party for himself. Ernie LePire brought over from the Lake a group of a dozen for dinner. The Marin Skate and Ski Club held forth on Saturday night. And do you know it's ice skating time at Ice Lakes with 8 inches of solid ice on the pond and lights and music for the rink? Liz Pearson of Kiski has just returned from a long vacation and her first public appearance was on the Ice Lakes pond. Bill Rutherford has added the attractive Mrs. Ben Fillmore to his staff. No trees, stumps or rocks on the smooth lighted ski hill at Ice Lakes makes it possible for the rope tow to operate.

At Donner Summit Lodge a project goes on that will add to their cocktail lounge. An orchestra platform is being erected. See Roy King back at his familiar spot in front of the kitchen range.

Soda Springs Hotel already entertains ski guests in spite of the snow famine. Ray and Margaret Kronmeyer sit and gab with Dennis and Muriel Jones. Wanda Misener and I join them for a short spell. Tom Dolley runs in and grabs a sandwich. Jack Richlin takes over the morning shift behind the plank while rotund, good-natured Benny carries on in the afternoon and evening.

Mrs. Parley Merrill with her three children, one brand new, stays in Sacramento to recuperate for a few weeks before returning to her mountain home and Parley of the snow lab. Barbara Zorich leaves the mountain to await the Zorich heir. Mrs. Lois Hack, our mother, just left after spending a few days with us. Helen McCarty breathes a sigh of relief with the removal of her leg cast and plans to sojourn in Stockton for treatments. Dick Buek leaves with a grand send off for his new Sun Valley job. Madyon and Bud Walton and Kay Jansen journey to the big city for Donner Summit Night ski meeting. As we write clouds obscure the sun. Perhaps that poor, damp excuse for a snowfall that teased us Monday was just preliminary and we'll really get one after all.

Swanee Grandma

Swanee (Mrs. Eleanor Swanson) writes from the home of Mr. and Mrs. Charles Hall at Mt. Vernon, Ill., that she is enjoying the visit with her family and tells of the arrival of her latest grandchild.
"Our new baby, Charlene Diane, 8 pounds 11 ounces, arrived on November 28.....on Sammie Lee's birthday. Mother and baby are doing fine. We are all very thrilled."

Truckee Elementary SCHOOL NEWS

COMING AND GOING

—by Jimmy Purcell
This week four pupils left our school. They are Stephen Hatch from the first grade, Laurie Hatch from the second grade, Mary Lou Lyon from the fifth grade and Jimmy Lyon from the seventh grade. We have gained

one new pupil, Anita Diaz, in the third grade.

CHRIST IS BORN THE KING

—by Ginger Reynolds
The snow is crystal white
By the stars that give it light
And angels come down to sing
For Christ is born the King.

For He is the Saviour of all
And shepherds hear the angels call
And when you hear the bells that ring
You know that Christ is born the King.

CLASS PARTY

—by Marie Osburn
On Friday, December 16, a party will be held for the 7th and 8th grades in the Truckee grammar school. There are many committees to help with the party.

These consist of the pupils from the room and include refreshment, entertainment, serving and clean-up committees.

ROOM DECORATION

—by Sharon Pace
Mrs. Brown's first graders have been making angels for the room. They are also planning to start decorating their tree soon.

FIFTH & SIXTH GRADES

—by Lois Grey
For the last few days the pupils of Mr. Kishbaugh's room have worked on a social studies project, building log cabins, furnishing them and making clothes for small dolls which will occupy the cabins. Frank Giovannoni of the 5th grade cut his finger and had four stitches taken in it. Aaron Thomas of the 6th grade was thrown from his horse, suffering minor injuries, and is still absent from school.

NEW CLUB PRESIDENT

—by Raymond Dixon
The Truckee Tigers had to

elect a new president to take the place of Margaret Blue who moved from Truckee to Fresno. The new president is Joan Ward. The other officers of the club are Lois Grey, vice president; Ruth Osburn, secretary; Alberta Cooper, treasurer, and David Peterson, sergeant at arms.

THIRD & FOURTH GRADES

—by Louis Ramirez
Jesse Rablin brought her hamsters to school. We will have a story about them later. David and Beverly View brought a meate and mano from Napa for our early California display. A science exhibit showing materials that were used in early California houses was arranged and labeled by Jesse Rablin, Irene Englehart and David View. We are all glad to have the new fire extinguisher in our room. Barbara Brown made a special research on the first Thanksgiving and wrote up the information. We wrote a cooperative story on Thanksgiving and then made drawings. The following had their work displayed: Billy Moreland, Eddie Rankin, Floyd Cooper, Timmy Kelly, Dennis Reisinger and Tommy Towler.

CHRISTMAS TRIM

The 7th and 8th grades have started room decorations for

Tahoe Christmas Party "Bigger and Better" Than Ever This Year

TAHOE CITY—The Tahoe City Community Christmas program at the base of the "Big Tree" will be bigger and better than ever. This year the resources and abilities of interested persons and organizations are being pooled in a single Christmas program for the school-age and pre-school children of Tahoe City and environs. Site for the party is the well-known "Big Tree", a mature Jeffery pine centered in the highway through Tahoe City. Lighting of the Big Tree, an idea credited to Otis Hursey, has been a Tahoe custom for several years. A beautiful living symbol of Christmas, the tree is one of the largest decorated trees in the nation.

Organizations now participating in the program are the Women's Club of Tahoe, Lake Tahoe Ski Club, Tahoe Lake PTA, Tahoe City American Legion, Carpenters' Local 2035 (AFL), Tahoe City Rotary, Tahoe City Lions and others. Participants have already contributed more than \$200.

The party will begin at the base of the Big Tree at 7 p.m. on Friday, December 23. With Christmas carols broadcast by loudspeaker, Santa will arrive by dog team, carrying a present for all children. The names of school children will be furnished by the Tahoe Lake School. Names of pre-school children may be sent

either to the school or through a participating organization. It is urged that the latter be done immediately to insure adequate preparation by the coordinating committee headed by Martin H. Spitsen.

Any individual or organization not now represented on the committee wishing to contribute may contact Kay Starratt, committee treasurer, phone Tahoe City 4.

FOUNTAIN of YOUTH

• Ponce de Leon, in 1513, sought the Fountain of Youth — in vain. He did find a cool, crystal-clear spring of pure, sparkling water. While spring water possesses no magical, rejuvenating properties. It does, in common with all pure water, have the power to perpetuate good health — and thus increase the life span of those who drink it.

• The District's water supply is tested periodically to insure that no possible contamination takes place either at its source or throughout its distribution.

• So actually the FOUNTAIN OF YOUTH today is symbolized by PURE DRINKING WATER.

Takes Stock-Up Trip**

James E. Walker, manager of The Toggery, was in Sacramento this week arranging for the purchase of new stock for the local store. Mr. and Mrs. Walker and their three children are now located in their new home in the Maxsom property on River Street and Walker is busily engaged in building up the stock and preparing The Toggery for the Christmas trade.

The new manager is inviting comment and suggestions from local shoppers who are urged to visit the store.

Mrs. W. W. Youman, frequent visitor in this region, has moved from Blue Canyon to Roseville.

**"Oklahoma!" Returns
To Capital Dec. 16-17**

Playgoers of Truckee and vicinity are to have the opportunity to again enjoy Rodgers' and Hammerstein's world-famous musical "Oklahoma!" The Theatre Guild announces another presentation of its fabulous attraction in Sacramento under the sponsorship of Ware-Hazleton. It will be played on Friday and Saturday nights at 8:20 and Saturday matinee at 2:20, December 16-17 at the Sacramento Auditorium.

Because of the turn-away business of "Oklahoma!" on its previous visit to Sacramento nearly two years ago, there is little doubt that the demand for the musical will be as great this time as before. The famous National Company of "Oklahoma!" will return, the organization which introduced the great show to the capital city when it played to

eight overflowing audiences.

Ticket mail orders are now being accepted and filled in order of receipt at Ware-Hazleton Box Office, Weinstock-Lubin's, Sacramento.

Nation of Seamstresses

A survey discloses that 47 per cent of all women between 25 and 44 years sew. A sampling of 5,144 was taken, the interviews being proportioned to population in different sections of the country. Most of the women questioned were married. Articles they are interested in making, rank as follows: dresses, blouses, skirts, aprons, house dresses, play clothes, lingerie and underwear, pajamas, suits, coats, shirts, slacks, accessories.

Mother Visits—

Mrs. Margaret Shattuck is visiting her son and daughter-in-law Mr. and Mrs. V. C. Shattuck, from San Jose this week.

Dies of Heart Attack**

Frank L. Hunt, 69, widely known in the Soda Springs district and prominent cattleman of Brownsville, died suddenly at his home Tuesday afternoon following a heart attack.

Hunt is survived by a daughter, Mrs. Dennis Jones of Soda Springs, and a son, Francis Hunt of Walnut Creek.

Funeral services will be held Friday afternoon at 2 o'clock at the Hutchison Chapel in Marysville.

SEAWELL IMPROVES

Jerold L. Seawell, board of equalization member from this district, was returned to his home in Roseville last week from Mercy Hospital in Sacramento where he underwent a serious operation recently. His condition is greatly improved but it will take some time for him to completely recover.

FOR SALE—3-rm. house, furnished, interior remodeled. \$1750. In Truckee. Inquire at Soda Springs Hotel, phone 2481.

MY GOLLY! CHRISTMAS IS ONLY TWO WEEKS AWAY! WHERE DOES TH' TIME GO, ANYHOW?

DON'T WAIT TILL THE LAST MINUTE TO GET MY PRESENT, UNCLE JOE! I'D HATE TO FIND AN EMPTY STOCKING ON CHRISTMAS!

DON'T TELL ME YOU'VE GOT ALL YOUR SHOPPING DONE ALREADY!

I ONLY WISH I DID HAVE! A LITTLE MATTER OF FINANCES IS HOLDING THINGS UP!

BABY SITTING HAS BEEN PRETTY SLOW LATELY, UNCLE JOE! I NEED AT LEAST TWENTY DOLLARS TO FINISH MY CHRISTMAS SHOPPING!
